

# North Wales Together: Seamless Services for people with learning disabilities

Project Briefing – July  
2020

- Hello from Kathryn Whitfield
- Coronavirus has changed things for us
- Lots of the team have had to work away from the project
- But most of them are back now
- Bev has been doing lots of interviews on Facebook Live.
- Join our group to find out more

## Rainbow Cards

- We delivered lots of rainbow cards across North Wales
- You can show the card to police if you needed to travel out of your area.

## Technology

- We have delivered lots of technology.
- This has helped people stay connected during lockdown
- We also provided lots of user guides and support to help everyone get online

## Get Checked Out

- We launched the Get Checked Out Website
- This has lots of information about health checks and being healthy

## Update on Projects we are funding

### Makaton Choir with Conwy Connect

- They moved online
- Lots of people have been enjoying weekly sessions

## iTeam with Flintshire Do-It

- The project aims to support people to grow a circle of support
- The project moved online and meetings have taken place using zoom.
- 5 iTeams have been formed
- 4 more are being planned

## Values and Behaviours Film

- We are working on making a film virtually
- We are working in partnership with TAPE and Hijinx
- The film is about our values
- We are excited to see the finished film

## Project Evaluation

- We are working with IPC
- We are looking at the impact of the work the team has done in lockdown
- We are looking at what we need to keep going
- We are making plans for when the project finishes
- We want to make sure the good work carries on
