

# Volunteers Wanted

In November this year we are looking to make a film about Health and Wellbeing and are looking for people to be part of a production team.

If you are interested in getting creative with film, animation, music, drama or story-writing we'd like to hear from you.

No experience is required, all we ask is that you bring your ideas and enthusiasm and we will guide you through the process.

**You will need to be available to take part in sessions:**

**9th-13th of November and 16th-20th November.**

**10.30am – 12pm Monday – Friday**

There will also be optional afternoon sessions on these days for those who wish to take part and gain more experience.

**Neil Dunsire—Operations Manager, TAPE Community Music & Film is coordinating the production of the film and has information you may find useful. Please contact Neil with your details to be kept informed**
